Critiques

Junior dog, 2903 DONNAJAY SOLID AS A ROCK AT REDREVE (MRS N RAPER) Best male and Best of Breed
Stunning young male at only 12 months old, is certainly as his name suggests. A rare sight at such a young age to have such a perfect silhouette.... Light in colour, with such a beautiful expression and head type. Top line perfect standing and on the move. For me he is already a complete male with just his tail curling slightly on the move being my only criticism, which is minor in comparison to his qualities, a beautiful example of the breed.

2nd 2897 AIBREAN LIMITED EDITION (MRS L S MORAN)

A stocky young male, with pleasing head and beautiful eyes placement. Nice on the move keeping his top line level throughout his time in the ring.

PG male

1st 2893 ASCOGCARA JINGLE BELL ROCK (MR A & MISS J MCCARROLL & EVANS)

Heavy dark red male that catches your eye as he was stacked for presentation, love his jaw and head type, front and outline. A little immature in body which was apparent on the move but I have no doubt this is just a time thing and will be sound on maturity, a handsome boy and Very well handled

2nd 2894 TARTUFFE WINGMAN (MRS S MOLLOY)

Another nice male, not as big and imposing as my first place winner but still a very pleasing male. Sound on the move and stacked with a solid back end. Would have liked a little more depth of chest but sound throughout.

A solid dark red stocky boy that I liked a lot, I couldn't fault him on the day, lovely front and bone, good chest, perfect top line and just enough angulation. Nice mover and handled well.

Junior female

1st 2884 TARTUFFE SOFT 'N' LOW (MS S & MR P & MS A & MS J BERWICK, MCMILLAN, CURRAN & STEWART)

Best Puppy

A very classy female puppy, light in colour and sound throughout. Lovely head type and so sturdy for one so young. Really liked her stacked and on the move. A one to watch for the future.

2nd 2882 RUBICANOV'S JUST LIKE VELVET WITH JADOREDEBORD (MR A & MISS C BAMFORTH & TURTON)

Another sound female, darker in colour with a very feminine head type. Lovely outline and very pleasing from all angles. A lovely girl and a pleasure to judge.

PG female

1st 2885 CERISIER POSH LADY (MRS T & MR B HARRISON) Res best female

A very difficult choice for me for my top 3 in this class, three very different females all of equal quality.

My winner tipped it on her beautiful head type and expression, a super sound female from tip to tail, feminine but still so imposing. Typical movement with her head carried low and top line staying level on the move. She makes me smile when I look at her.

2nd 2888 ASCOGCARA WEAPON OF CHOICE (A & C KIDD)

A much bigger darker red female than my winner, she demands you to look at her when she is stacked. A little looser on the move but she is still very young at 18 months and I'm sure she will be a one to watch in the future. Beautiful female.

What a female, so sound throughout. I last judged this girl at 17 months old and she impressed me just as much today as she did back then. Her confirmation is so sound, lovely front, Topline and hindquarters and just as beautiful on the move, I'm a huge fan of this girl!

2nd 2886 JERICIER DAISY BOO (MRS T & MR B HARRISON)

Another solid girl that I like a lot! An older female than my winner but in top condition. A feminine head type with sound body, front and hindquarters. Lovely mover, another pleasure to judge.
